

Exam Re-sit Application

(Please write clearly or type. One form per Applicant)

The scheme recommends a gap of at least one month before you consider requesting a re-sit examination. Once you feel you are ready, you should complete this form and either post it or E-mail it to the ADC office.

Exam sittings are held regularly at ADC regional meetings and at other convenient venues throughout the year and across the country. On Line exams are also available more frequently.

Please refer to the most recent issue of the Month Update or ADC Website, these will normally indicate details of upcoming exam sittings.

The responsibility remains with the Supervisor Scheme candidate to locate a convenient exam venue and make arrangements to attend an exam.

Please give up to date details of your principal contact address, E mail and Mobile number to ensure correct details are used for correspondence.
